G.O.No.2034-2093/C.B.103-22 dated the 18th Octr. 1922 appointing a Committee for working out the details of the Constitutional developments announced by the Dewan in the Representative Assembly on the 7th October 1922.

Order No. 3050-79 /C.B.103-22-12
Dated, 11th November 1922

In their order of the 12th July 1919 read above, the Govt. directed that the Economic Conference be made a permanent adjunct to the administration with a strong and compact central organisation consisting of official and non-official members to advise upon questions of economic importance and to co-ordinate all activities to the best advantage. A special Committee appointed in April 1922 to report, among other things, on the question whether an

revision of the existing orders defining the constitution, functions and methods of work of the several agencies of the Conference was necessary, recommended that the present organisation should be continued, and this recommendation has been approved by the Government in their Proceedings dated the 31st ~~January~~ July 1922 read above. The present organisation of the Conference includes Central Boards to deal with Industries and Commerce, Education and Agriculture; and there are on the General Conference and its various Boards members elected by the Legislative Council, the Representative Assembly, District Boards and Municipalities.

2. In the scheme of reconstitution of the Representative Assembly and the Legislative Council with enlarged functions announced by the Dewan to the Representative Assembly on the 7th Oct. 1922, it has been indicated that provision will be made in the new arrangements for the representation on the Legislative Council of special interests, such as, Industries and Commerce, Planting and Education. Provision is also to be made for the representation of special interests on the Representative Assembly. Further it is proposed to appoint Standing Committees consisting of members of the Legislative Council and the Representative Assembly to advise Government on major questions of general policy.

The place of the Mysore Economic Conference and its several Boards in the new constitutional arrangements --- therefore requires to be carefully examined. The question will accordingly be included as an additional term of reference to the Committee appointed in G.O.No.2034-2093/C.B.103-22 of the 18th October 1922 to work out the details of constitutional developments. The Committee is requested to examine the question in all its aspects and submit specific recommendations so as to ensure continuous attention to the improvement of economic condition in the

State and the co-ordination of all activities for economic development, and at the same time to avoid duplication of work and prevent overlapping of the functions of the several bodies.
